

**How many families affected  
by an undiagnosed genetic  
condition do you work with?**

**Undiagnosed Children's Day  
28 April 2017**

**#undiagnosed**

# Help us find them!

We know there are thousands of families in the UK affected by undiagnosed genetic conditions who aren't accessing our support.

This year we are asking you to become detectives and help us track them down!

**Step 1: Simply cut out the props, attach them to a lolly stick or pencil.**

**Step 2: Strike your best detective pose!**

**Step 3: Take lots of photos, share the best ones on your social media channels.**

**Don't forget to tag us and include the hashtag #undiagnosed**
